ROUND ABOUT TOWN.

Now we have our daily rain-storm.

Another whisky war has broken out in Glenbrook.

Miss Ida Lackey, of Gold Hill, is visiting in Carson.

Gen. Powning and wife, arrived from Reno yesterday.

Several parties will leave for the K. P. banquet to night.

Miss Minnie Hurd, of Virginia, is the guest of Miss Ollie Pixley.

The Tribune charges dishonest marking at Saturday's rifle match.

The Grand Lodge, Knights of Pythias, convened in Dayton yesterday.

Look out for your old iron as the small boy has begun to steal it to make circus money.

Ed Niles, the ex-editor and insurance man is in town, looking healthy and prosperous.

Gov. Kinkaid and wife reached this city yesterday and were warmly welcomed by old friends.

Mrs. R. R. Parkinson and daughter, and George M. Stewart and wife have gone to Lake Tahoe.

Ed Niles, special agent of the Connecticut Fire Insurance Co. left for California by last night's train.

The Hale & Norcross are making regular shipments from the ore body and still the stock is under three dollars.

Now that the San Francisco train leaves at 7 o'clock again the depot platform will become a general rendezvous in the evening.

There will be no special train run to Dayton this evening and those who attend the Pythian ball should secure carriages early.

Mrs. Williamson has been granted a divorce from Thomas J. Williamson, because the latter has failed to provide for his family and deserted them.

"It is whispered in Heaven and muttered in Hell" that Hon. John Dennis will be a candidate for U. S. Senator on the Salvation Army ticket this Fall.

Drugs, medicines, perfumeries, toilette articles and all kinds of fancy articles at Walter Chedie's drug store in the Morton House block.

The picnickers were badly drenched by Saturday's shower. The rain also added considerably to the capital stock of Overland Pat's barrel of butter-milk.

George W. Richards and wife, accompanied by Miss Kate Garrard and Mr. Shinn started for Wolf Creek, on Sunday, in a little private stage of their own.

A man who is called "Skippy," was fined \$40 in Genoa, last Saturday, for selling whisky, in a boat, near the wharf at Glenbrook. He claims that the fine was unconstitutional.

Old Nevadans are doing well this Fall. D. E. McCarthy is reported as having sold his Mexican mine for \$50,000, and Pete Burke is about to dispose of his sewer flusher in New York for a million.

The tradespeople complain that Saturday's picnic brought very little money to the city, but they expect to make up on the Miners' Union as the representatives of the latter organization spend their money very lavishly.

Carsonites can save money by ordering fruits, produce, poultry, fish and all seasonable goods from H. G. May & Co., Sacramento, Cal. They use great care in selecting and packing orders for families, and their prices are "bed rock." Send for price list. ju 16 tf.

The Virginia people pay \$1 50 for reserved seats to witness the performance of the Bijou Opera Company, while Carsonites pay but one dollar. This liberality on the part of the management, will, no doubt, be appreciated by our people. A full house is already assured.

Ayer's Sarsaparilla is designed for those who need a medicine to purify their blood, build them up, increase their appetite, and rejuvenate their whole system. No other preparation so well meets these wants. It touches the exact spot. Its record of forty years is one of constant triumph over disease.

An Operatic Burlesque.

The advertisement of the Bijou Opera Bouffe Company will be a welcome piece of news to our theatergoers. It has been many years since we have had anything of the kind in Carson, in fact we do not remember of so complete a company as that now coming ever having visited us. The Bijou Company come direct from the Bijou Opera House, New York, and there the production of Orpheus and Eurydice has been pronounced exceptionally brilliant. Though Orpheus is an adaptation of a famous Opera Bouffe, in its present dress it is more of a burlesque than an opera. The amount of vocal talent in the Bijou Company is rather surprising. Jennie Prince, Augusta Roche, Daisy Murdock, A. S. Grant and Mr. Harry Pepper, the tenor, are all well-known favorites on the Eastern Comic Opera Stage. Lavish praise has been bestowed by critics upon the costumes and mountings of Orpheus, and the contingent of female beauty has come in for its share of it. The company appear at Carson one night only, Thursday, August 14th. We suggest the early securing of reserved seats.

Journalism in San Joaquin

The Stockton Mail thus graphically, but dispassionately, recalls some stirring incidents in the career of the proprietor of its Democratic and esteemed contemporary the Herald:

Mr. Preston has been assaulted several times in this city before. He was once choked in front of the Yosemite House by ex-Policeman Hornage; beaten with a strap on another occasion by A. B. Treadwell, at present Justice of the Peace; saved himself from a thumping at the hands of Aeronaut Van Tassel by drawing a revolver and retreating into a saloon; caned on Main street some years ago by Congressman Budd; assaulted with a pot of hot tea in a restaurant by Police Judge Scanlan; caned by the late Frank Stewart; booied by Mr. Cole, of the Yosemite House, and damned by almost everybody.

The Live Lightning.

On Saturday during the thunder storm a fearful clap smote the air just over the V. & T. shops, and, demolishing several telegraph poles, entered the telegraph office of the road, and knocked one of the instruments in pieces. When the electric fluid came in it caused a scattering of the inmates of the room, who thought the building was coming down. In the car shops there was also considerable commotion, and the workmen were more than astonished. Although the telegraph poles were shattered the wires held, and there was no interruption of the service.

Cheap Beer.

The brewers of San Francisco have formed a combination to discourage the introduction of beer imported from the Eastern cities, by reducing the price of beer made at home. Reducing the price of anything does not increase the sale unless the commodity sold is good. The only way the Pacific Coast brewers can compete with the Eastern brewers is to make better beer. There will be no trouble about the price.

Murder Near Webber Lake

It is reported that John Woodward was killed near Webber Lake a day or two ago, by James O'Neil. Woodward was extensively engaged in the dairy business and is spoken of in high terms by those who knew him. O'Neil is a young man, cross-eyed, with a smooth face and his name tattooed on his right arm, so that he is pretty well marked. O'Neil is now in custody.

Queer Dispensation.

There have been two picnics this year in Carson who have not advertised in the Carson papers. Both were interrupted by a rain storm that spoiled all the fun. The picnics that advertised had a sunny, beautiful day. It seems odd that the Clerk of the Weather should stand in with the press, but somehow he seems to lean that way.

The Flow of Bullion

The bullion product of the following mines in July was as follows: Bodie Con. \$46,832; Bonanza King, \$20,013; Contention Con., \$21,323; Navajo, \$33,500; Standard Con., \$25,743; Syndicate, \$7,604. The Paradise Valley Mining Company shipped bullion valued at \$4,748 on Monday last, the result of a two weeks' run.

How to Pronounce It.

Many Carsonites pronounce the name of the leading female in the coming opera, nine ways for Sunday. By calling to mind a familiar snatch of Homeric verse all difficulties vanished. Eurydice made coffee for Orpheus every morning, and on one occasion made a miss lick. Homer recalls the touching incident as follows: "You've busted off the lid I see," Said Orpheus to Eurydice. "This is something of a free translation, but serves well the purpose intended."

The Pythian Ball.

This evening the Pythian Lodge at Dayton will give a banquet and celebration which will doubtless surpass anything of the kind attempted in the State for some time. The Dayton Lodge has taken great pains and gone to lavish expense for this entertainment, and all Carsonites who would like a most enjoyable time will miss it if they do not attend. About two dozen couples have already expressed their intention of going from here.

Free Lecture.

B. K. Low will deliver a lecture on Wednesday evening in the Old Theater Hall at 8 o'clock p. m. Subject: "How Nature Manifests Herself Through the Various Phases of Life."

The Farmers for Blaine.

Chicago, Aug. 11.—News comes from Kansas and other States, where the wheat industry is depressed, that the farmers are up in arms, and will unitedly work against the Democratic party. They are deeply affronted by the insults offered their representatives by the platform of the Democratic National Committee, Morrison, spokesman of the committee, not being willing to accord them a respectful hearing.

The composer, Felix Mendelssohn, who died in 1847, was the grandson of the celebrated philosopher, Moses Mendelssohn. His father, a Berlin banker, who came in between these two famous personages, used to say, "I should like to know who I am. When I was young they used to call me the son of Moses Mendelssohn, and now that I am old I'm called the father of Felix Mendelssohn."

For its soothing and grateful influence on the scalp, and for the removal and prevention of dandruff, Ayer's Hair Vigor has no equal. It restores faded or gray hair to its original or dark color stimulates the growth of the hair, and gives it a beautiful, soft, glossy and silken appearance.

Origin of Ammonia.

Ammonia is obtained in large quantities by the putrefaction of the urine of animals.—Encyclopedia Britannica.

Every housekeeper can test baking powders containing this disgusting drug by placing a can of the "Royal" or "Andrews' Pearl" top down on a hot stove until heated, then remove the cover and smell.

Dr. Price's Cream Baking Powder does not contain Ammonia. Alum, Lime, Potash, Bone Phosphates. Prove it by the above test. It is prepared by a Physician and Chemist with special regard to cleanliness and healthfulness.

A Charm for Gov. Cleveland.

New York, August 11.—"The left hind foot of a graveyard rabbit," which has a potent influence among the Southern negroes, has been presented to Gov. Cleveland as a talisman in the campaign. The rabbit from which the foot was taken was shot on the grave of Jesse James. The foot was superbly mounted and engraved in solid silver by jewelers in Eufala Ala. It was mounted to wear as a watch charm, and bore on one side the inscription: "To our next President—a talisman of victory."
